Please Note: Newsletters and Notes can be downloaded from our website: www.burnside-p.schools.nsw.edu.au

P&C Father's Day Stall
The P&C Father's Day stall raised in excess of $700. Thank you for all the efforts of the parent body who helped purchase and wrap the presents. The students thoroughly enjoy buying their own gifts for dad.

P&C Walkathon
The students are very excited by the upcoming Walkathon. The money raised will go towards an iPad for each room for the students to use each day. Please remember to collect sponsors on the sponsorship form. If your child has misplaced their form please download a new form off the school website.

Regional Athletics Carnival
Well done to Jordan, Abigail, Leonardo, Elias, Amy and Chloe who represented Burnside Public School at the Regional Athletics Carnival on Wednesday, 9th September.

School Council and P&C Parenting Workshops
School Council held their first parent workshop last night which was run by Annette Coleman. Two more workshops have been planned for Term 4.

Cyber safety
- 7pm – 8:30pm Tuesday, 20th October presented by Senior Constable Rob Patterson
- Transition to High School will be held later in the year. More information to follow.
Woolworths Earn and Learn
Woolworths Earn and Learn has now finished. Please send in any stickers you have at home as soon as possible. We will be sending them off next Wednesday. Thank you for all your support.

History Day
Miss Cawsey and four students celebrated History Week by attending an event in Parramatta where our students did an item on the History of Burnside Public School. The students performed in period costumes and entertained their audience.

Staff Planning
This week the staff have engaged in planning sessions that focused on the analysis of data and the preparation of units of work for Term 4. If you have any concerns regarding your child’s academic or social development, please do not hesitate to contact the office to make an appointment with your child’s teacher.

Road Safety
As you would be all aware due to the traffic congestion this morning, a 3 car accident occurred at the intersection of Masons Drive and Pennant Hills Rd. The result of the crash saw one vehicle mount the footpath at the lights crossing on our corner.

Again I urge you to walk down to ‘Reggie’ at the foot crossing and cross across Masons Drive. Please speak to your children about keeping back away from the corner of the street and to move quickly across the road. Thankfully there was no serious injury today.

Class Awards - Congratulations

Gae Bromwich
Acting Principal
SCHOOL HOLIDAY EVENTS

Thursday 24 September
10 am – 12 noon
School Holiday Hands-on Science Program
ROCKET WORKSHOP
Lots of fun for all ages. Make and launch your own paper rocket and watch water rockets being launched. The program will also include a short presentation, a 3D astronomy movie and S.A.F.E. and detailed viewing of the sun through our telescopes (weather permitting). Cost: $15 child/adult

Astronomy Night
CHECKING OUT OUR NEIGHBOURS
A close up look at our solar system with some of the latest news about Pluto.
The evening will also include a 3D astronomy movie, a tour of the dome area and an opportunity to view the night sky through the observatory’s telescopes.
