Dear Parents,

A copy of 2017 fees is listed below. These encompass the following areas:

**Work Books/ Digital Platforms**
This covers the cost of work books and exercise books (purchased by the school and already distributed) required by your child and used each day within the classroom. Digital software which includes Mathletics and Reading Eggs K-6.

**Photocopy Levy**
A levy per child to cover the cost of classroom stencils and materials.

**General Voluntary School Contribution**
This covers the cost of extra-curricular and enrichment programs, eg home readers, class readers and technology. This is a voluntary annual payment of $55 per family. If you have more than one child at school you need only pay this payment for one child.

**Note:** Payment is due by Wednesday, 15th March 2017.
As always, the school is aware of the financial burden such occasions place on families and is willing to consider payment of these fees by instalment.
